

Brigade Command Policy # 04-02

AFZN-BA-L

17 DEC 04

MEMORANDUM FOR 1st Brigade, 1st Infantry Division (Mech)

SUBJECT: Recycling

1. PURPOSE: To define my guidance for Recycling practices in all units in 1st BCT.
2. BACKGROUND: 1st BCT produces a significant amount of waste products which can be recycled to make more efficient use of our resources. The Fort Riley Recycle Center (RC), and Environmental Waste Management Center (EWMC), accept recyclable material, and pay military units through the Troop Incentive Program (TIP). This recycling initiative awards dollars directly to unit funds. Dollar amounts awarded are based upon the amount of materials delivered and the size of the unit.
3. COMMANDER'S INTENT: To provide established procedures for recycling methods on Fort Riley. Commanders will establish unit recycling programs to ensure the proper disposal of recyclable materials and to support unit funds. Commanders should develop procedures for the following.
 - a. Units: Ensure that recycle containers are available throughout the unit area. Collect, prepare, and turn-in recyclable materials to the RC or EWMC.
 - b. Personnel residing in billets: Deposit all recyclable material in unit collection containers.
 - c. Personnel in on -post quarters: Deposit recyclable materials in unit collection containers to allow the unit to reclaim funds; otherwise, deposit recyclables curbside for collection.
 - d. Personnel off post: Bring all recyclable materials to the unit collection containers to allow the unit to reclaim funds. Otherwise use on post Installation drop-off containers or off-post collection containers / facilities.
4. "Devil Brigade!"
